### President's Message

Late winter and early spring have been busy times for us as we focus on our expansion campaign to "Open the Doors". Dancing with Our Stars was a great success financially as well as great fun and folks from every segment in the community found common ground in enjoying the dancers and the well-orchestrated evening. There was much support that evening for what we are calling the Allan Challenge, an idea proposed by Donn Clickard (Julia Clickard, actually) and presented by Lon Allan in a recent column. The idea is for folks to become Founders in the expansion campaign at the \$1000 level, by making monthly payments. Many people are taking up the Allan Challenge and a number are using the payment method to move from Founder to Patron, at the \$3000+ level. We have recently received a number of large anonymous donations including a \$50,000 donation and a \$10,000 donation, and have been notified that we have been selected to receive a local grant. We will share details about the grant when the grantor makes the public announcement.

In addition to the events described in Eileen's column, we are looking forward to two BBQs in the Lake Park. The Kiwanis Club and the Elks Club are producing a BBQ to benefit FOL on Saturday, May 28 and the FOL will take a turn hosting the summer Chamber of Commerce BBQ on Tuesday, August 2. Look for the MOMS Club Rummage Sale on May 13 and 14, Friday and Saturday. The MOMS Club is donating the proceeds to the expansion campaign and will hold the sale either at the site of the new library or at the current library. Last year the Plant Man generously provided us with excellent plants – succulents, shrubs, trees, to name a few – for our plant sale and he is making another donation of plants this year. His plants will be on sale at one of the homes on the Secret Garden Tour May 7.

The FOL Board has decided to hold our annual membership meeting on June 8 at 7 PM. We will elect officers for the 2011-2012 year, update you on the expansion campaign and finances, and review a change in the By Laws that brings the definition of membership categories into agreement with definitions used in the campaign. Margaret Esther, Assistant Library Director, will discuss the future of libraries and their role in our world of rapidly evolving technology. This is our second email newsletter and so far, we have heard no complaints, nor comments. You can comment by note via snail mail or via the Contact section in our web site. And if you haven't visited the web site recently, you will be pleased with the amount of information available and the ease of navigating the site. And be sure to share your email address with us so that we can email the newsletter to you.

You may be aware that the state Legislature is considering drastic cuts to library budgets and our web site [atascaderofriendsofthelibrary.com](http://atascaderofriendsofthelibrary.com) has information on how the cuts will affect us and how to contact the appropriate representatives in Sacramento to share an opinion. A reminder: you will need to renew your membership as a Friend of the Library effective July 1. Information on how to make your renewal will be available soon.

The dance champions; Bill White, first place, and his partner Sharon Davis, John Webster came in third, also danced with Sharon, and Jeannie Malik took second place with her partner Dan Davis.

## Open the Doors . . . with Dancing!

The second annual Atascadero: Dancing with Our Stars was a huge success. After expenses, the event will net \$50,000 for the “Open the Doors” campaign. Atascadero Fire Captain **Bill White** finished in first place; **Jeannie Malik** placed second, and **John Webster** came in third.

**Jim and Debi Lewis** kicked off the program with their 2010 championship dance.

The other “partner” dancers captivated the audience as well: Doctors **Rey** and **Marlene Cordero**, **Natalie** and **Jack Dorris**, Supervisor **Jim Patterson**, and **Sharon Rademacher**, along with instructor/partners: **Dan Davis**, **Sharon Davis**, and **Judie Magonacelaya**. **Larry Jensen** choreographed the dance performed by the Dorrises. **Dan** and **Sharon Davis** were recognized at the event as Honorary Founders for their outstanding contributions.

We also saw exciting specialty numbers by **Ghouls ‘n’ Guise**—**Jody Franta**, **Julie Herring**, **Marc** and **Sharon Jaeger**, and **Penny Lentz**, and **B-boys**, **Eddie Rodriguez**, **Gilbert Suarez**, **Chris Ramos**, **David Ramos**, and **Josh Ramos**. We send huge bouquets of thanks to all the dancers, instructors, and choreographers.

We also thank engaging M.C., **Steve Martin**, lively dance commentator, **Marguerite Pulley**, and sound and lighting expert, **Bob Jones**. Bob donated both his equipment and his expertise for the program. **Sue Galbreath-Sly**, **Christina Lefevre Latner**, **Leigh Livick**, and **Judie Magonacelaya** helped to organize the event, along with **Dan** and **Sharon Davis**.

Volunteer **Katherine O’Clair** provided significant help in obtaining wine donations. Among the generous donors were **Carol Kiessig** (Salisbury wines), and all of the following: **Blue Belly Estates**, **Castoro**, **Fratelli Perata**, **Halter Ranch**, **Mondo Cellars**, **Nana** and **Poppaw Vineyards**, **Orchid Hill**, **Ortman**, **Peachy Canyon**, **St. Hilaire**, **Twilight**, **Venteux**, and **Wild Horse**. **Pacific Harvest Catering** supplied ample, delicious appetizers for the event.

Auction items included donations by **Disneyland Resorts**, **Tuesday’s Jewels**, **Eve Bunting**, **Christina Lefevre**, **Judie Magonacelaya**, **Donn Clickard**, **Willow Creek Olive Farm**, **Cliffs Resort**, **Roxo Port Cellars**, **Saxum Winery**, **Galaxy Theatres**, **Edward Sellers Winery**, **Eagle Castle**, **Kiamie Winery**, and **Turley Winery**. Donations were also provided by **Whalebone Winery**, **Judd Family Winery**, **Trader Joe’s**, **Spencer’s**, and **Von’s**.

Mark your calendars for these delightful spring events:

### Spring! Dancing! Money! Children's Classic! Garden Tours! E-books!

What else can I say? It's all here in the newsletter, on the Friends' website, the library website, the bulletin boards, the "ATASCADERO NEWS" and other media outlets. There's something for everybody coming up in the next couple of months and beyond.

We're working with SLO County, architect Greg Ravatt and library interior specialist Kathy Page to stay within budget and still develop the great library that Atascadero needs and deserves. Now that we have a new movie theater complex can a better library be far behind? Take the Allan Challenge and make it happen ASAP!

Even if you can't give money right now, at least give us your used printer cartridges. There's a jar in the library lobby. We recycle them at Staples to save the earth and get supplies that the county can't give us. As you know budgets are getting worse and we do everything we can to make do for now, until times get better and we make the BIG MOVE.

The new return slot in the lobby and Self-Check machine seem to be working out very well. At least 50% of our check-outs are now being done on that computer so that frees up staff to actually help people find great books to read, as well as give instruction on how to use Overdrive to download audio books and all the new e-books purchased by a grant from the Library Foundation. Overdrive has new instructions and help screens on the library catalog screen. It's so easy even this dinosaur librarian can do it.

See you at the Library! (or the garden tour)

Deborah Schlanser, Library Branch Manager

### Reference Notes

by

**Brian Coburn**

Great news! E-book reader options have expanded for the library user. Overdrive, the vendor the Black Gold Library Cooperative has contracted to provide e-book and audio book titles, has made both audio books and

e-books "iPad friendly." You can now download Overdrive e-book and MP3 audio book titles directly to your iPad, iPhone or iTouch devices through a free Apple OverDrive Media Console app. In addition, in order to explain how to do this, Overdrive has now simplified the help process by providing a new "MyHelp!" link: <http://blackgold.lib.overdrive.com> and, on the top left corner, you will see the new help link. This help section shows the new user an easy-to-follow, step-by-step process in downloading e-books or audio books to your portable computing device. Check it out!

### Second Annual Adult Summer Reading Program

The theme this upcoming summer season is "Novel Destinations." There will be reading lists on a range of travel-inspired themes to help motivate and guide the armchair traveler. Read or listen to a set number of theme-related books and receive prizes and surprises. The fun starts on June 7th and ends on August 13th. For more information about signing up, call Brian at 461-6162.

### Youth Services

There were several preschool story times in February and March at the library. Lina Ouyang shared her Chinese culture for "The Year of the Rabbit" program. Her husband Bin, from Golden China Restaurant, brought eggrolls and fortune cookies and the children received lucky money in red envelopes.

Atascadero High School Drama students choreographed and performed a skit on the book *Madeline* by Ludwig Bemelmans. They also had fun with the kids by interacting with them in an animal game.

Dr. Seuss birthday was celebrated on his birthday on March 2nd with some of his favorite stories being told or performed by several members of the Atascadero High School Key Club. Katherine and Danyelee, two of our teen volunteers, organized this fun event.

### *A Taste of Summer*

### Monthly Silent Auctions

These auctions are run by our library staff with the proceeds going to the Expansion Fund.

The auction closes on the last day of the month and the highest bidders are notified.

The auctions are attracting quite a few people. However we need more donations of articles for the auctions. If you have articles to donate check with our staff at the circulation desk.

How to make a bid? Just go over to one of the staff, and tell them the number of the article you want to bid on. They will take care of it.
