#### PRESIDENT'S MESSAGE

It has happened again: the FOL expansion project has received another \$100,000 boost in the form of a grant from the Hind Foundation. Greg Hind, whose local sportswear company has received national recognition for its excellence, has created the Hind Foundation to “fund community-based projects and programs that encourage people to work together to build an enduring legacy for future generations.” The Foundation supports programs in a wide range of areas from music and the arts to ecosystem preservation. We are honored and delighted that the Hind Foundation has selected our expansion project for such substantial assistance. Also, we are honored to have been selected to receive a grant of \$7500 from the Central Coast Wine Classic.

With these grants, we are well over the 80% of our share of the Net Project Cost, the amount needed, per the Memorandum of Understanding with the County, in order for schematic design and preparation of construction documents to commence. The draft design, created in consultation between library administration, FOL and library staff, has been completed and the County and the architects, Ravatt-Albrecht and Associates, will be negotiating a contract for the working documents. We are excited that work on the expansion has proceeded to this place, and gratified by the success of our fund-raising efforts. Those efforts are not complete, of course, and the Fund-raising Steering Committee continues its diligent work.

Be sure and look for us in the Colony Days Parade. Linda Zirk has gathered a talented crew of float designers and our entry is going to be a very special one.

The silent auction in the library lobby has been on hiatus for the month of September but it will return in October, under the supervision of library supporter Carole Dulitz. Carole welcomes your contributions of items for the auction and you may leave auction items with the library staff.

#### “Open the Doors” Fundraising Campaign News

With the wonderful \$100,000 grant from the **Hind Foundation**, our campaign effort reached 50% of our \$1 million goal. We thank our volunteer grant writer, **Liz Helgerson**, for her winning grant and our volunteer accountant, **Marguerite Pulley**, for her assistance. **Claudia Collier**, **Anne Harris**, and **Jeannie Malik** participated in the grant selection interview, along with Marguerite and me. We have a wonderful team of talented volunteers who are working very hard to open the doors of the new Atascadero Library.

**Leigh Livick** coordinated the recent FOL benefit performance at the Brickyard Theatre which netted \$1900. Thanks to Leigh and to **Anet** and **Charley Carlin** for a wonderful production of *The Clean House*. Anet and Charley recently became our newest Founders with a personal donation of \$1000. We appreciate all they have done to support and enrich our community over the past eight years.

### Branch Musings

by Brian Coburn

We have had a busy summer for adults at the library. We completed our Adult Summer Reading Program "Novel Destinations." We had 72 adults sign-up and 23 adults who finished the program. On Sept.10, we had a celebration for the finishers with gelato ice cream and gyro sandwiches. The general feedback from participants was to keep having future adult reading programs, not only because is it fun, but it also gets readers an opportunity to read out of their regular reading habits. As one participant said, "I finally got permission to read an art book, and I loved it."

We also gave the library a new interior arrangement. In August, with coordination and consultation from the Assistant Director, Atascadero Library staff and the Administrative staff, we moved the study carrels from the non-fiction area to the window area across from the circulation service desk, and we removed one display stand, substituting it with a mobile display stand. We then removed two shelves and moved the reading chairs where the shelves and study carrels were previously. Finally, we moved the audio CD display stand and the photocopier to the area by the study carrels. In addition, the children's desk was rotated 90 degrees to allow better visibility to the reference desk and quicker access to the children's collection.

The patron and staff response to these moves has been generally positive. The new reading and lounge area in the adult non-fiction is now larger and quieter with more natural lighting in the area coming through the windows. The new study carrels area has resulted in better monitoring of laptop internet usage.

Finally, the children's service desk is now more approachable. The staff and public can now access the children's collection more readily without navigating around the CD display rack and photocopier.

Check out the photos and come to the library and enjoy our new interior.

### **PAL Visits the Atascadero Library (September-October)**

The children's area has a new look. On loan from the Rancho Cucamonga Public Library this Play and Learn Island (PAL) has been a big hit for the kids and adults who have gone back to their childhood days. PAL is a federal grant funded project designed to incorporate play into the library. PALs have interactive toys, and related book materials to support the particular theme of each PAL. The PALs are interactive activity spaces designed for children and their families to explore and enjoy. Play incorporates many of the basic skills that are essential building blocks for a child's overall development.

Whether you are 2 or 60, you will enjoy the sensory experience of playing with a variety of manipulatives in the moon sand of the Discovery Dig PAL Island.

## Welcome Student Intern Erin Berman!

Greetings to all the friends of the Atascadero Library. My name is Erin Berman and I am the new student intern working here at your local branch. I am currently obtaining my Masters in Library and Information Sciences from San Jose State University, with plans to graduate this December. Until that time I will be working with Joan Bloomfield in the Children's and young adult's areas, bringing the best possible service to our youngest patrons. In my free time I enjoy camping, cooking and of course reading. I look forward to story times, teen programs, and getting to serve the Atascadero community. Come in to say hi and leave with a great book!

Erin
